

Räkna med pärlor

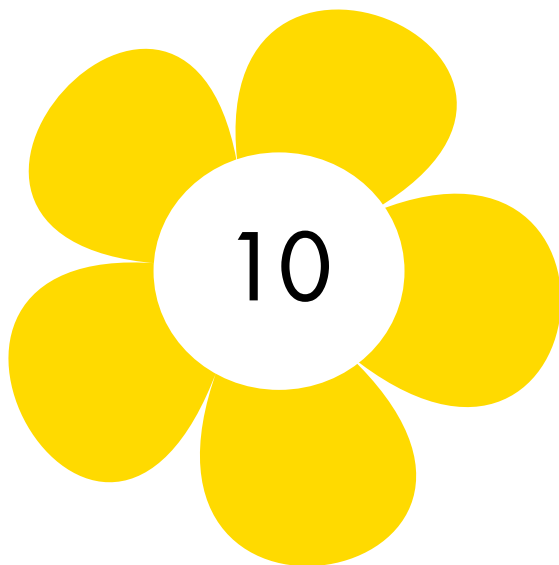

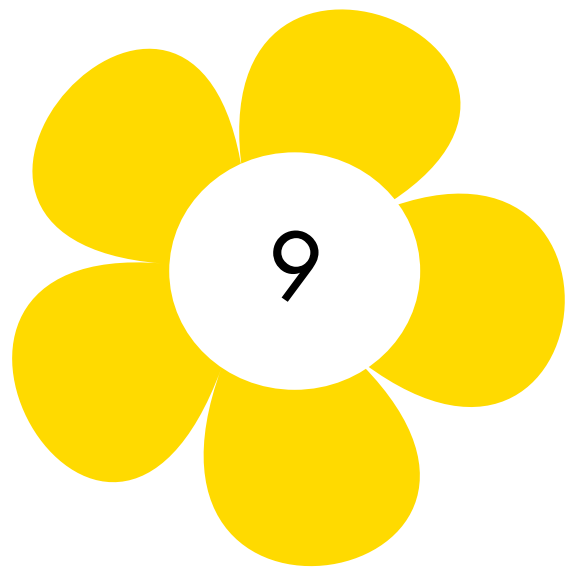

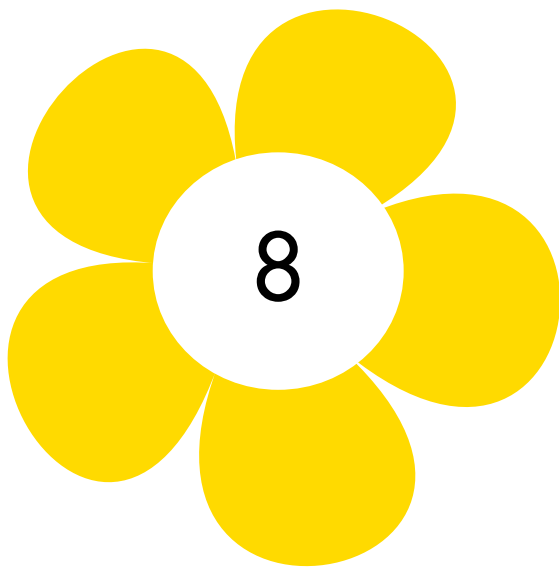

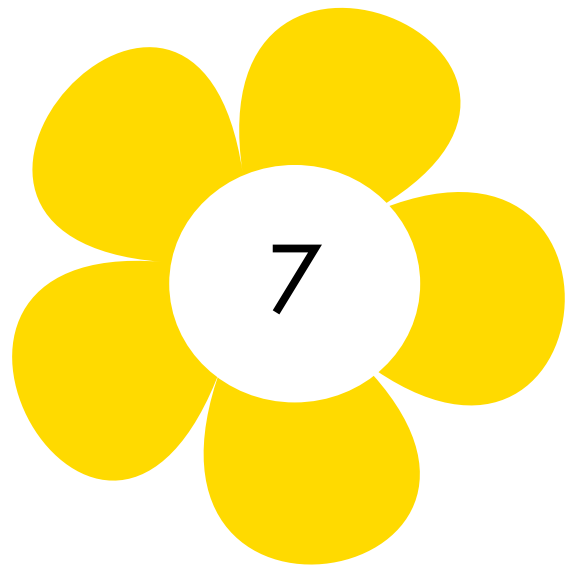

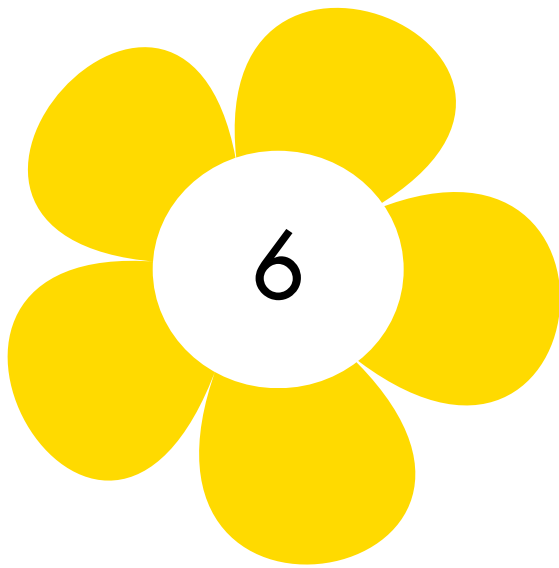

Taluppfattning 0-10
Addition och subtraktion 0-5

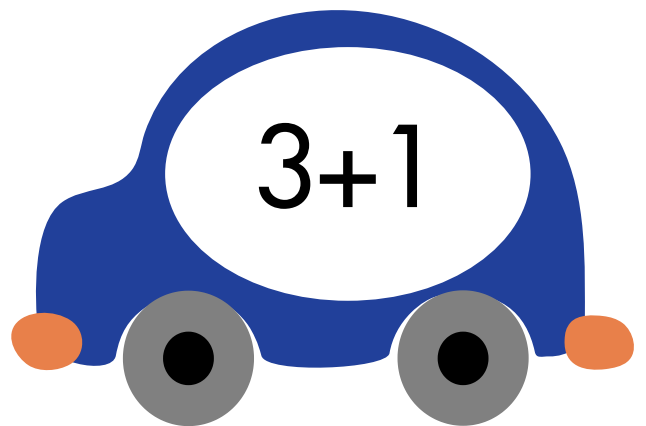

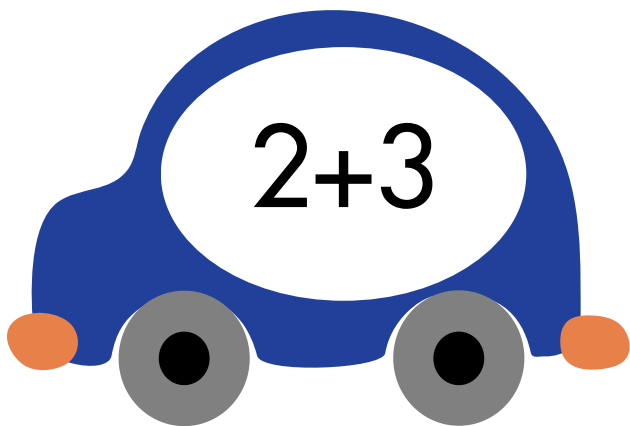

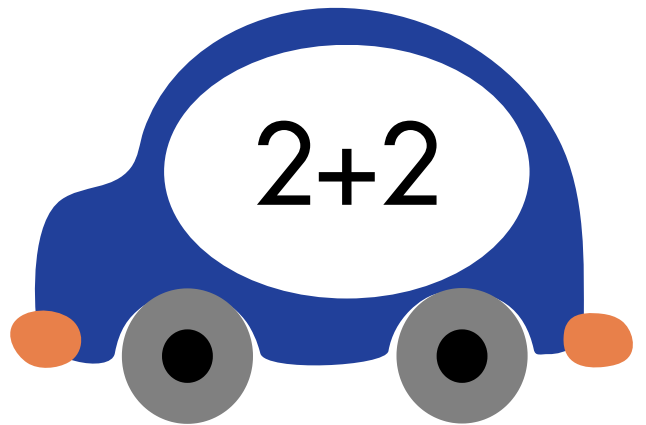

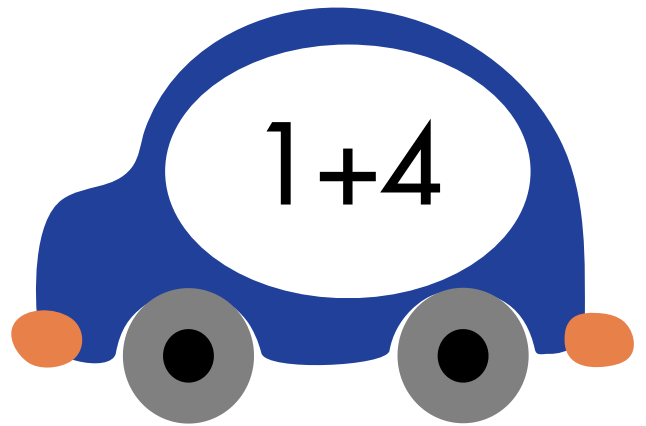

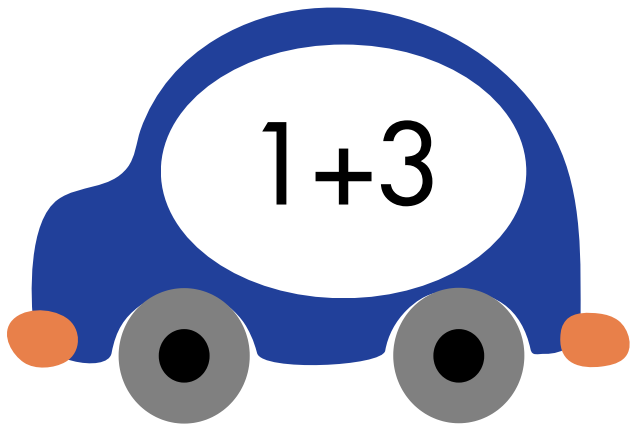

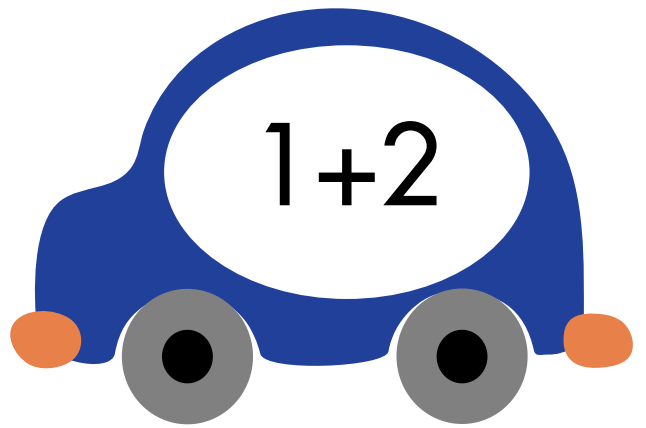

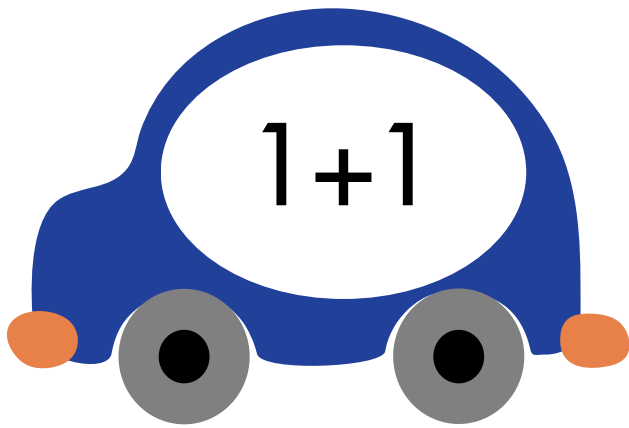

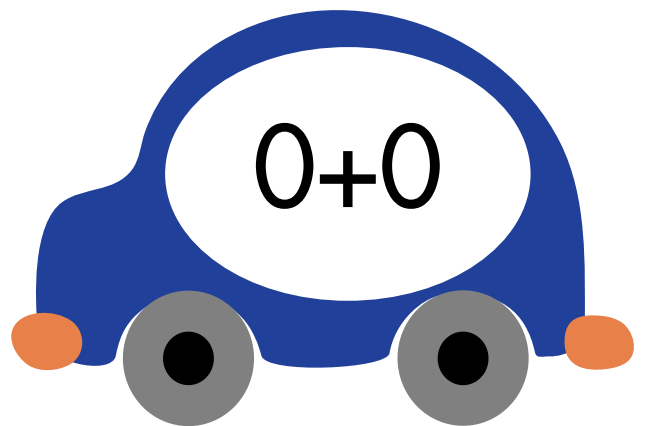

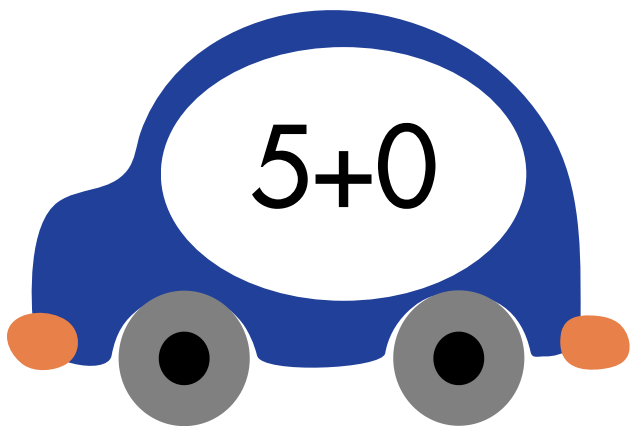

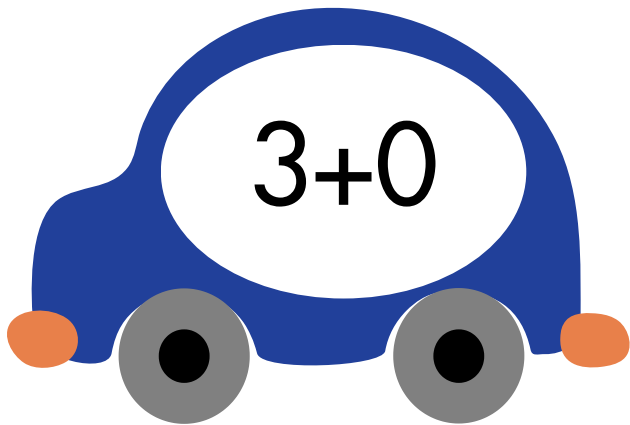

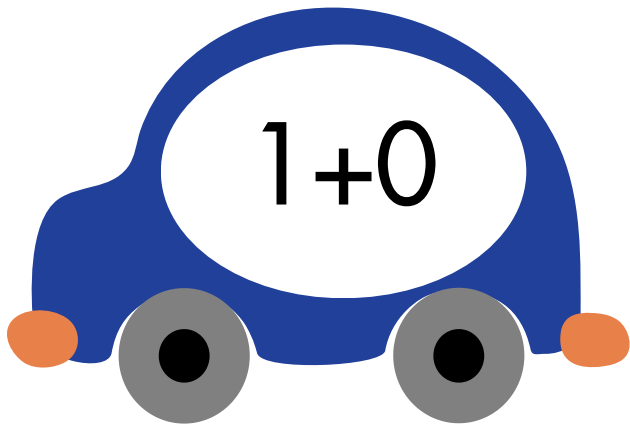

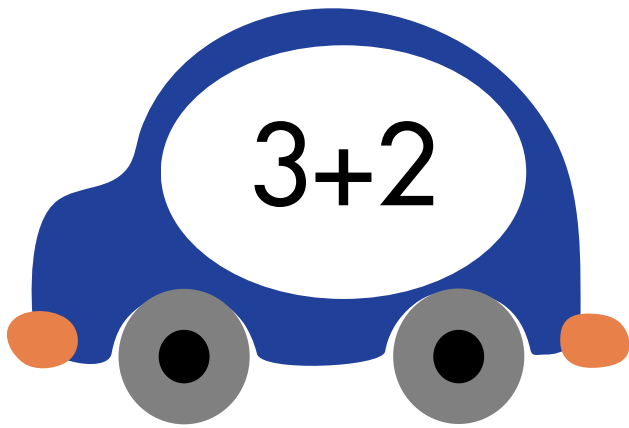

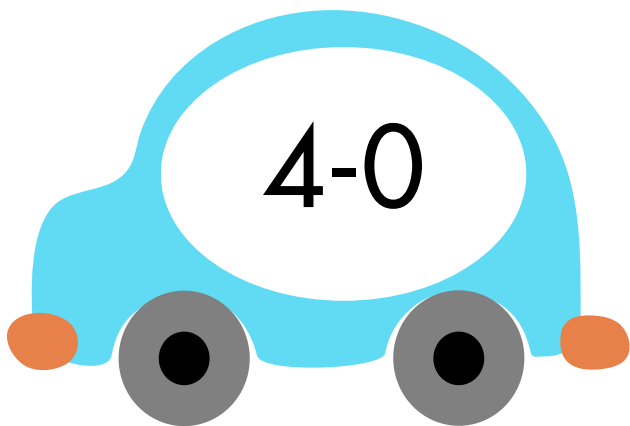

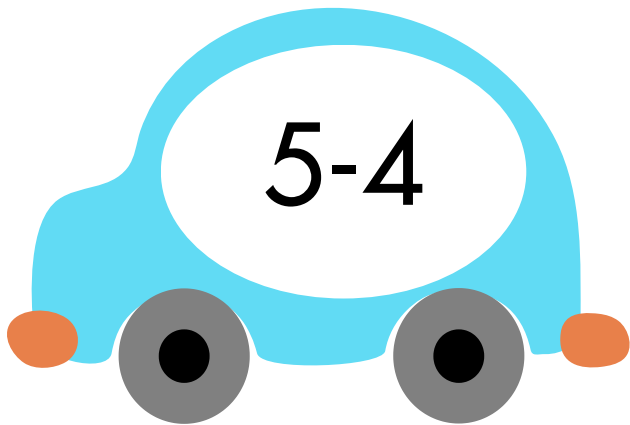

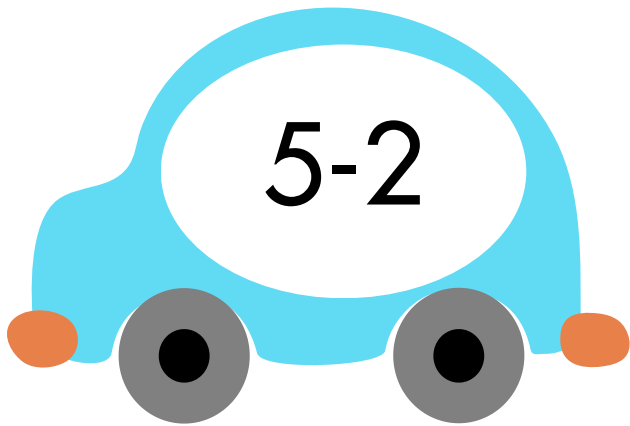

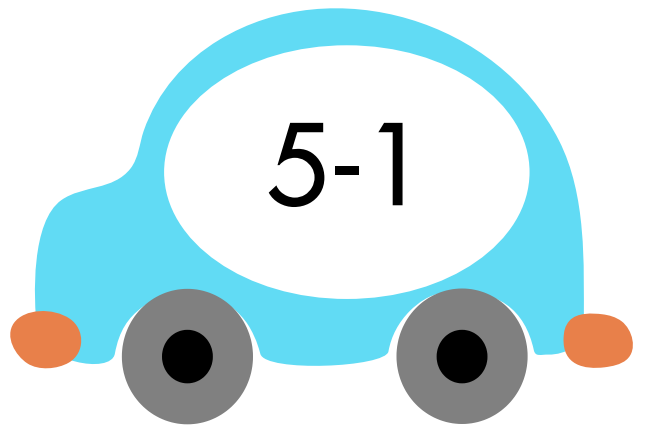

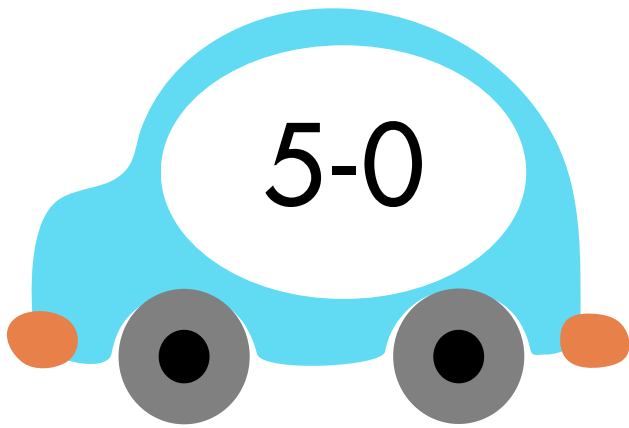

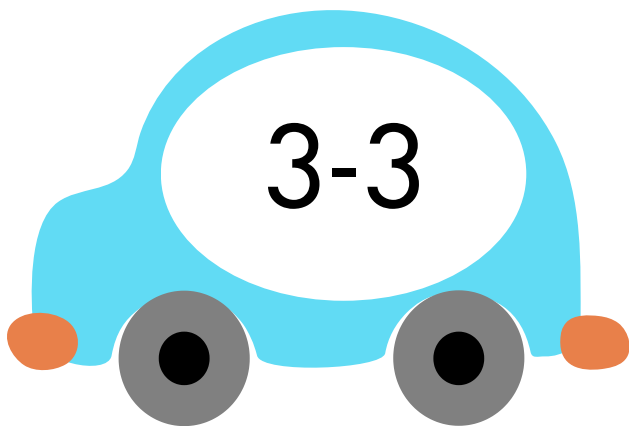

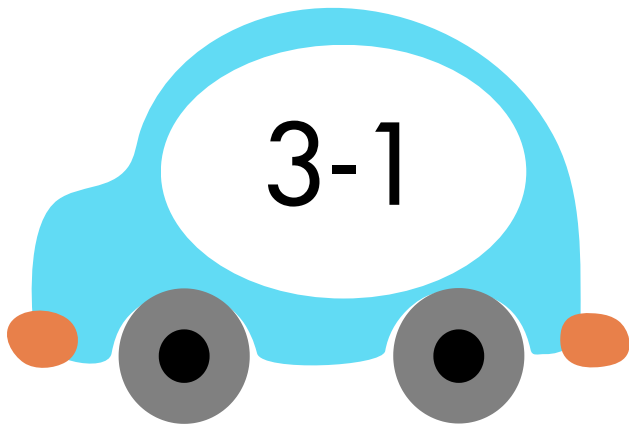

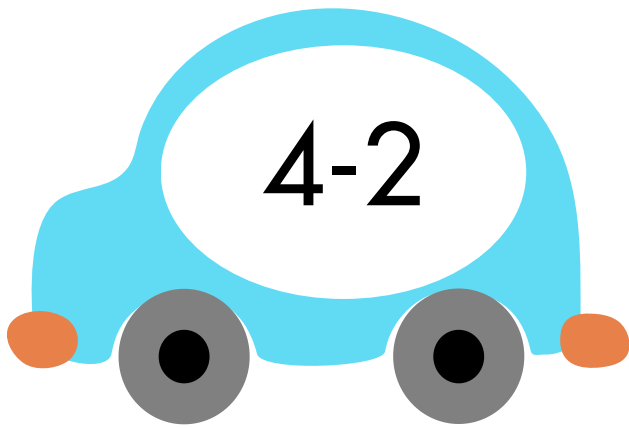

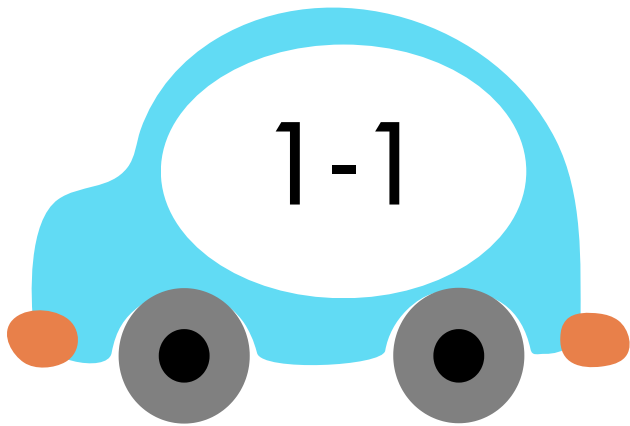

Räkna med pärlor

Till läraren

Syfte

Eleven tränar både taluppfattning och finmotorik.
Eleven tränar addition och subtraktion inom talområdet 0-5.

Beskrivning

Med materialet tränar eleven taluppfattning, addition och subtraktion samt finmotorik genom att räkna och trä pärlor enligt det angivna talet, summan eller differensen.

Material

Laminera och klipp ut figurerna. Gör ett hål med hålstans och fäst piprensaren genom hålet eller fäst piprensaren med tejp på baksidan.

- laminerade figurer
- pärlor och piprensare
- tejp/hålstans
