Syfte

Eleven tränar på att lägga rätt varor i kundvagnen enligt inköpslistan.
Eleven tränar på att plocka rätt antal.
Eleven lär sig vanliga ord för olika livsmedel.

Gör så här

Välj en inköpslista. Eleven plockar rätt antal varor i sin kundvagn. Sista arbetsbladet är för egna inköpslistor. Här kan du antingen använda bilderna eller skriva en egen inköpslista. Detta material kan även användas när man går till butiken och behöver en inköpslista med bildstöd.

Tips!

Materialet kan skrivas ut i A3, för att få tillräckligt stora bildkort.
