Till läraren

Syfte

Eleven tränar taluppfattning 1-5.

Eleven tränar att kombinera rätt antal föremål till rätt tal (strecktal, fingertal eller talsymbol).

Material

- uppgiftsbottnar
- laminerade antalskort

Gör så här

Skriv ut och laminera arbetsbladen. Skriv ut bildkorten, laminera och klipp ut. Eleven ska placera rätt antal föremål vid rätt tal.

Om korten känns för små kan du skriva ut materialet i A3.
